## EDITORIAL

*"Keep your face always towards the sunshine-  
And the shadows will always fall behind you" Walt Whitman*

Very often the world gets caught in peril with adversities like COVID or the recent Russia and Ukraine war that has taken all by surprise. The human spirit, with all its resilience, has fought back and dug deep to resolve the lurking issues. The education systems have also explored new avenues of online teaching, students' counselling and holding programs with dignitaries from all avenues on a virtual platform, so that the learning does not suffer due to unpredictable circumstances.

The Oriental campus at Bhopal, this fortnight, has a proud moment to share with you all. An OIST NCC Cadet Sergeant, Roopanshi Vadalkar, Unit 2 MP Air Wing, student of Electronics and Communication, Batch 2018-22, has represented MP & CG Directorate, at the Republic Day Parade'2022 and has been a part of NCC Contingent at Rajpath, New Delhi. Heartiest Congratulations from the Oriental Family!

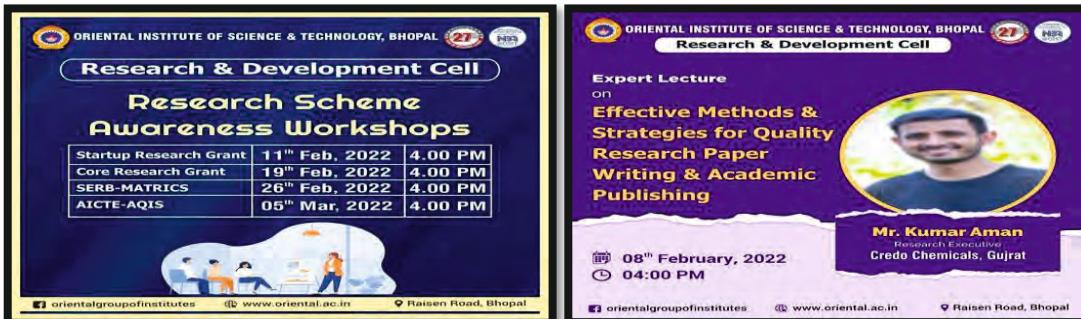

This issue also shares the winners of "Writing Challenge Contest" of Oriental College of Technology, Bhopal, who emerged on top, in the 30 day duration, an event organized by the Foreign Language and Chat Club. Great going and kudos to the young writers!

We move on, lauding at each moment and savouring every bit as the journey is highly exciting!

# ORIENTAL INSTITUTE OF SCIENCE AND TECHNOLOGY

# ORIENTAL COLLEGE OF MANAGEMENT

## TECHNICAL SECTION

### Union Budget 2022 - Analysis and Budget Presentation Competition

Every year, students of Oriental MBA make a Budget presentation, which is a long-standing tradition. CA Parul Shrivastava, MD, Sourabh Shrivastava & Associates, was the Chief Judge in the panel. Dr. Shikha Bhargava, Director of Oriental MBA, opened the discussion with an overview of the budget. Several areas of budget like agriculture, education, railway, taxation were among the topics covered by the group of students.

### Basant Panchami Celebration

In India, the celebration of Basant Panchami is traditionally associated with the arrival of spring. On this day, Goddess Saraswati, the goddess of wisdom, music, arts, science, and technology, is said to have been born. Saraswati Puja was observed on Basant Panchami, at the Institute. This momentous day was commemorated with celebration of Maa Saraswati.

### Alumni Interaction

Oriental MBA had an interactive alumni discussion in which alumnus Raju Joshi, who is currently working as the MP Sales Head for Real Touch Laminate, shared his experiences. He emphasised on the value of persistence and hard work in transforming even the most ordinary student into a great personality.

## ORIENTAL COLLEGE OF PHARMACY

### TECHNICAL SECTION

#### **Awareness Program on World Cancer Day**

On the occasion of World Cancer Day, the Institute organized an Health Awareness Campaign on 4<sup>th</sup> Feb 2022 with the theme “Close the Care Gap” in the nearby village “Padariya Jat”. Besides health checkup, Health awareness rally, Nukkad play and village school visit were also conducted by D.Pharm, B.Pharm Students under the supervision of faculty members and the members of Students Activity Council.

#### **STUDENTS' ACTIVITIES**

On the 37<sup>th</sup> Anniversary of the “Bhopal Gas Tragedy”, to pay homage to the victims of this man - made catastrophe and to remind the world about the threats of the terrible industrial disaster, UTI-RGPV organized a poster making competition and an Essay writing competition, for the students. They participated enthusiastically and manifested their ideas and talent. Students, Mr.Kuldeep Bhade (B.Pharm I sem), Mr. Angad Kumar (B.Pharm III sem) & Mr. Neeraj Singh Patel (B.Pharm I sem) secured 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> position respectively, in the Poster Making Competition. **Ajay Chouhan  
OIST, MCA, 2002  
Senior Delivery Manager  
IBM India Pvt Ltd  
[ajaychouhan7@gmail.com](mailto:ajaychouhan7@gmail.com)**

I joined OIST as *MCA Founder Batch*, when the Oriental Institute of Science & Technology was running in the old campus. Although college was in its initial years, however, the vision & values of OIST management were stated clearly and they promised being a growth oriented one. The Institute provided the best in class learning & growing place to all the students. The management was very supportive and dynamic, to welcome any initiative, suggested by then teachers and students. We the entire batch shared a great relationship with the teachers and it built a healthy learning environment, altogether. I will not shy away to say, the position that I have reached today, is because of the strong base, that I got from OIST.

Big thanks to my teachers and college!!

Ajay Chouhan

**Aishwarya Mokle  
OCT, CE, 2018

My time at Oriental College of Management is still one of the most memorable periods of my life. I miss the days when I was a member of an Oriental family. College was more like a home to me. My mentors and friends always supported me. College has provided me priceless memories that has in turn, improved my ability to be better equipped and ready to face life challenges.

## THE ORIENTAL SCHOOL

### Free Hand Drawing Activity

Children are effective communicators and through the creative arts, children learn to make meaningful drawings and freely express their thoughts, ideas and feelings. Drawing helps children to develop their fine motor skills as they learn to control their finger-grip and give shape to the ideas they are expressing. We, at The Oriental School, try to help the students with the same.

A free hand drawing activity was conducted for our pre-primary kids, to support a love for drawing. The teachers used positive reinforcement when children created artwork and celebrated their creativity. It was an activity to create self-confidence and to explore their creativity.

### DIY- Rabbit Making

Kids love to do art and craft and it's important for them to practice it both. It allows kids to express themselves through creativity. They develop enriching experiences and gain valuable skills in an activity of their choice. This time the students drew fantastic and colourful rabbits.

Through this activity encouragement was given to child's self-expression, It also boosted brain function, improved hand eye coordination and helped to focus themselves.

### Flag Making Activity

We at 'The Oriental School' make sure that kids develop respect and affection for their Nation. Students of Grade 1 learnt the art of flag making of our country and of other countries as well. It is also a good bonding activity. They learnt the importance of colours in our flag like saffron, white, green and the Ashoka Chakra in the middle. They felt excited throughout this activity. It was an activity where kids learned to draw and colour but also to develop their observation and attentiveness.

### Planting a SEED Activity

Study shows that when children have contact with soil during activities like digging and planting, they have improved mood, better learning experience and decreased anxiety. They are inspired to eat which has a positive effect on the body and promotes a healthy body; it gives a sense of purpose and responsibility. Keeping all these benefits, the teachers conducted 'Planting a Seed Activity', for Grade I students..

## **Assessments**

Assessments help us to know what we have learnt and what need to be learnt more. It is a part of growth for the students, essential for knowledge and capability testing. They develop a sense of responsibility among learners and present them in the most valuable form. The Final Term 2 Assessments began in primary and middle wing. We wish our students **All The Best**.
